

# Business, AAS Public Program Information

## Business, AAS Program Retention:

This data includes all concentrations under Business, AAS – Accounting, Business, Computers and Information Systems, Entrepreneurship, Health Care Management, Logistics and Supply Chain Management, and Management.

Please note that, due to this population, the fall to fall retention rate for 2023 will appear to be very low. This is because 2023 is the first time full time freshmen who enrolled in fall of 2023, and have not had time to enroll in fall 2024.
