Dual Admissions Intent to Participate

By signing this statement of intent you are indicating your intention of participating in the MTSU and CLSCC Dual Admissions Program. As a participant in the Dual Admissions Program, you are subject to the same admission, matriculation, disciplinary and degree requirements governing all other MTSU and CLSCC students. This agreement stipulates admission to MTSU rather than to a particular college or major. This Intent to Participate form will also serve as a Release of Information that authorizes the institutions to share appropriate admission, financial, academic and advising information concerning the enrollment and performance of the student. You are agreeing to abide by the policy and procedures of the Dual Admissions Program, CLSCC and MTSU.

Academic Advising:
Knowing the important role that academic advising plays in a student's success, counselors and advisors at CLSCC and MTSU are available to assist you in tailoring your program of study to meet your educational goals. If you change your major, you will need to notify your academic advisor at CLSCC and MTSU.
