Name: _____
Last First Middle/Maiden

Student ID#: _____ VA Chapter: _____

Student Signature: _____ Date: _____

In requesting a deferment of payment of tuition and fees, my initials preceding the statements below certify my understanding of each item.

- _____ I am a student with adequate remaining entitlement and expiration date within the current term (*or after*) to an educational benefit program of the VA.
- _____ I understand that this deferment does not pay my tuition and fees, but it allows me an extension of time to the last day of the term, or when I receive educational benefit payments in full for the semester, to pay tuition and fees.
- _____ I have formally requested an enrollment certification through the school's VA Certifying Official office and expect to receive benefit payments for the current term.
- _____ I understand that if I do not receive the education benefits, that I am still required to pay all tuition and fees to Cleveland State Community College.
- _____ I understand that the tuition and fees being deferred are subject to the college's late and refund policies and withdrawal after the first day of classes does not eliminate this obligation.
- _____ I understand that all academic records and enrollment registration may be held if all financial obligations to the college are not settled in a timely manner.
- _____ I understand the VA Certifying Official receives periodic reports from the VA of educational benefit payments made to students. I further understand that my tuition and fees must be paid in full for the current term before I will be allowed to register for classes for subsequent terms.
- _____ I understand that my eligibility for tuition and fee deferments under TCA49-7-104 may terminate if I do not follow applicable rules and regulations or otherwise fail to act in good faith with timely and reasonable payment(s) of tuition and fees.
