

# Get Your Degree in 18 Months!

## Associate of Applied Science Degree-Business Concentration Summer Semester Start

Advance Business, Cleveland State's block scheduling format, offers working adults a convenient way to obtain a college degree taking classes with the same core group of students.

### Features:

- Accelerated program, obtain a degree in 18 months.
- Classes offered in the evenings and online – every Thursday night during the semester.
- Courses will be offered at all 3 locations in Cleveland, Athens and Vonore.
- The degree program is eligible for federal financial aid.

### Advantages:

- You will be in class with “like-minded” people who are focused, self-disciplined and want their degree.
- Dividing semesters into multiple terms within the semester allows students to focus on 2 courses at one time.
- Students know upfront their scheduling for the entire program.
- Networking Opportunities–students form strong connections with other working students/professionals.

### Benefits:

- Working towards your degree as a group has been proven to dramatically improve graduation rates.
- Student retention rates for this program are much higher than those in traditional programs.
- Faculty are committed to helping students achieve their individual goals and understand the demands working adults face.
- Earning your business degree opens doors for promotion in your career.
- Cleveland State works hand-in-hand to ensure smooth transfer of credits to local universities and colleges for the Bachelor degree in Business.

### Lisa Dailey, Cleveland State Advance Business Graduate Cleveland, TN

*“My favorite class in the Advance program was Cooperative Education. The class allowed me to do supervisory level work and project management and planning, as well as reporting and I was able to use it as work experience while gaining college credit.”*
